DETAILED ACTION

Response to Amendment

1. In response the amendment filed 08 December 2003, the following has occurred: Claims 4 and 7-8 have been cancelled. Now claims 1, 3, 5, and 6 are presented for examination.

Allowable Subject Matter

2. Claims 1, 3, 5, and 6 are allowed. The following is an examiner's statement of reasons for allowance: The prior art made of record fails to teach a motor retractor system comprising a first winding device attached to one end of the seat belt and having a motor connected to a spool so that the seat belt can be withdrawn from the spool without operation of the motor and when the motor is actuated, the motor winds the seat belt for only the amount withdrawn from the spool; and a second winding device attached to the other end of the seat belt, the second winding device comprising a spool for winding the belt such that when the belt is in use, only the second winding device generates tension to a wearer of the seat belt.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
